

Carolina Pelicans - A chapter of the Family Motor Coach Association

Congratulations on being a member of the FMCA, an organization with numerous benefits for the RV owner. One of the best benefits is becoming a member of an FMCA Chapter. We invite you to consider becoming a member of the Carolina Pelicans. We have been an FMCA Chapter since 2004 and have more than 65 members. The area we cover is within about 150 miles of Myrtle Beach with members from both North and South Carolina. We usually hold 4 rallies a year at various locations in the Carolinas. Each rally is hosted by volunteer members. The hosts plan the meals and activities and those interested may also go golfing , do local shopping, go sightseeing etc.

There are also area and national rallies to attend - check the FMCA website. Joining a chapter such as ours can provide additional benefits. The Carolina Pelicans can offer friendship and members are happy to share their knowledge and experiences regarding repairs, maintenance, RV products, travel plans, hobbies etc.

A Carolina Pelicans member can request access to the "FMCA Carolina Pelicans RV Chapter" Facebook page.

Anyone can access our website at www.carolinapelicans.com for upcoming events, pictures of past events and access to forms.
